The St Mary's Holy Faith Composition Competition!!

Now that Easter Holidays are upon us, students have more time on their hands, and in St Mary's we know we have a lot of very talented musicians, singers, instrumentalists and composers. So with that in mind, the Music Department of St Mary's has decided to run a Composition Competition.

What to do:

- You are invited to compose a song or instrumental piece as a creative response to the current pandemic.
- The competition is open to all students from across all year groups.
- Record your performance of your composition and upload it to:
<https://stmarysglasnevin.submit.com>

The Theme of Composition:

- The composition should be uplifting and positive.
- It should be a piece that will inspire and encourage the nation as we continue our efforts together to contain the virus.
- The composition should reflect all society as we dedicate it to our communities, from our healthcare workers, to cocooning elderly, from government officials to parents and students.

The Prize:

- **A recording session** in MIC Studios, Moneygall, Co.Tipperary, to record the winning composition.
- The winning composition will be **released on iTunes & Apple music** with all funds raised going towards a charity connected to the Covid-19 pandemic.
